## Carver-Price School

Hello Readers!

After a most pleasant Easter vacation, we are back again to finish this school term. Kind of hate to count the few weeks left on our school calendar. Time passes too swiftly — but it is said one enjoys life when the days pass rapidly.

We saw many of our former students during the holiday, who, of course, were spending their vacation here with their families. One whom we are particularly proud of, and who visited us here at school before the vacation began, is Mrs. Bessie Williams Sessions, now a Home Economics Instructor in the public school system of the city of Philadelphia, the Junior High School Department. Bessie graduated in 1960 from Carver, and continued her studies at Hampton Institute, graduating from Hampton in 1934 with a major in Home Economics. While there, she was selected as an exchange student to Grinnel College in Iowa. After meeting all the requirements of the city of Philadelphia, Bessie received her appointment, and began her work last September. She mentioned to us that her work is most stimulating and interesting. We, are indeed proud of Bessie.

Curtis Whitted and Edward Lilly, of Morgan State College in Baltimore, stopped by to visit us and tell their interesting experiences. Both talked to the English II class, and urged them to study harder and to learn the importance of hard work, particularly those planning to attend college. And what nice talks these were.

Sarah Watkins, Luvenia Johnson and Cossie McCoy, of Virginia State College were also home for the holiday.

Jacqueline Lawing, of Maryland State College, Bowie, Maryland, was home. Lillie M. Lewis, of St. Paul Polytechnic Institute was here. She graduates from St. Paul on May 28, with a major in Home Economics. Doesn't time fly?

This year, the Band under the direction of Mrs. Joyce Wingfield Cu...rke has made rapid strides toward a first class organization; one of which we as individuals and our town and county can be proud. Boys and girls from all parts of the county now enjoy the opportunity to learn band music and to participate in social and community functions never before possible. With the instruments belonging to the County School Band, many children have been able to use the instruments and take part in the band program. This year the Appomattox High School is offering one period of band instruction, for boys a week, which carries a half credit toward graduation. Next year an effort will be made to set up a period for all other Beginners Band and a period of Advanced Band, whereby more children can participate in the program. It is not necessary to be a ...eudent in high school to become a member of the Appomattox County Band. The elementary band group that was organized under Mrs. Cu...rke during last summer and this school year, under private teaching after school hours, has been included in the activities of the Appomattox County Band, with children from that group having the use of the band-owned instruments, when available. As in the past, members will be drawn from all the elementary feeder schools and the high school.

Throughout these years, much effort has been expended to continue the Band Program, striving to develop the instrumental program toward the goal of becoming qualified to enter in district and state competitive band music programs.

We, the undersigned Band Committee, take pride in presenting these facts and feel that Appomattox can be justly proud of its accomplishments in making this band music program possible in our county for our children. It has been and is a challenge to all.

Most sincerely,

Mrs. T. M. Trent, Chairman; George Abbitt, Jr., secretary and treasurer; Mrs. Joyce Wingfield Curorke, director of band; R. V. Lefers, Mrs. Henry Barger, Mrs. Wm. Burke, Mrs. J. B. Whitehead, C. T. Moses, Jr.; H. E. Kerr, Flora Belle Williams, Ivey Holland, DeWitt Evans, M. A. Herneall.

## A.H.S. Newscast

By Peggy Wooten

Helo! there!

After a long holiday, everyone at A. H. S. has settled down to two more months of hard work. The seniors are looking to these two months with great delight.

A county-wide Teachers' Banquet was held in the cafeteria on Monday evening. The senior class and their patrons served. The speaker for the evening was Dr. Rinaldo C. Simonini, Jr., of Longwood College.

A Safe-Driving Contest was held Wednesday at noon. At this time, the students assembled in the auditorium for a speech on safe driving. After this a contest was held to determine the braking re-action of different students. This proved to be quite interesting.

The S. C. A. is sponsoring a "Sadie Hawkins Day," April 13. On this day the girls and boys will dress as they did in the days of Sadie Hawkins. After this gala parade of costumes, a dance will be held in celebration of the event in the cafeteria. The girls will bring their dates to the dance and will also pay their way into the dance. It's Leap Year, girls!

The Model General Assembly will be held April 5, 6 and 7, at our Capitol in Richmond, Virginia. This assembly will be carried on like our State General Assembly, with the assistance of some of the Virginia representatives. Those attending from the Hi-Y and Tri-Hi-Y Clubs are Dorothy Painter, Nancy Martin, Shawn Mabley, Buddy Poe and Tommy O'Brien. The two club sponsors, Mrs. Louise Brown and Mr. Jerry Miller, will also attend.

See you next week!

Peggy.

ADD UP THE COST of keeping your present car in top condition this year—new tires—engine work—paint—battery—muffler—brake linings, etc. Then talk to your Plymouth dealer about his modern financing plan; find out how it may actually cost you less money to drive home in a '56 Plymouth—the only *all-new* car in the low-price three.

**"Let's trade! Your present car on a big, all-new, jet-styled Plymouth!"**

PDQ

**You'll own the only low-price car that's really new.** Plymouth is *all* new—design of the future *today*. But the other two low-price cars? Still about the same as last year and the year before!

**You'll own the biggest car in Plymouth's field.** You'd have to pay hundreds of dollars more to match Plymouth's generous trunk space, over-all length, and interior roominess.

**You'll own the only low-price car with positive, mechanical Push-Button Driving.** Greatest advance in a decade, and only Plymouth has it in its field! Touch a button . . . and you're off. *Foolproof!* At left, safely out of children's reach.

**You'll own the top performer of the low-price three.** Plymouth is fastest from 0 to 30 and 0 to 60 m.p.h., as independent tests show! Just try that new Hy-Fire V-8—with up to 200 horsepower!

**So—bring your present car in now** and see how much we'll allow you on a magnificent all-new '56 Plymouth. We'll surprise you! And be sure to ask about our modern financing plan—makes owning a Plymouth easier than ever!

**PLYMOUTH COSTS LESS**

*From the day you buy it . . . through all the years you own it . . . you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined.*
